

EUROPE 4 YOUTH

invites you for

DEMO-LIFE

17-19.11.2017 (APV)
29.12.2017 - 07.01.2018

International Youth Exchange
Kraków-Korzkiew, Poland

WHY?

Demo-Life

Democracy is not just a political system. It includes certain vision of a human being and values like human rights, equality, participation, inclusion and diversity, which can be adopted in many spheres of life.

In current times, when democracy is no longer taken for granted we go back to the fundamentals of democracy.

What does it mean for us? What is the core of it? Where to practice and learn democracy? Is this still "the" system for us?

Let`s start this exploratory journey together!

Discover other aspects of
Democracy!

Aim of the project

To awake reflection on the essence of democracy and raise awareness of its various dimensions.

Objectives

1

to research and compare how various aspects of democracy function in different countries

2

to recognize consequences of adopting democratic rules in various spheres of life

3

to create models of such functioning (e.g. democratic media, family, school, NGO)

4

to draft own role as a participant of democracy and a path to become one

5

to engage peers in such reflection and raise the topic in local societies of 6 countries
