About Abenteuerzentrum

Abenteuerzentrum im Grunewald is a non-profit youth organization which is creating space for educational activities of different kind, with the special focus on outdoor education and adventure-based learning. Our main activity is the youth center we run in the Berlin district Grunewald. Besides accommodation for youth groups and seminars our organisation offers variety of adventure opportunities: we run our own high rope course, we organize integration activities for young people as well as seminars and trainings for youth workers and youth leaders. Using our "Mongolian village" we carry on cycle of projects on the topics of migration and inclusion. We also organize holiday camps, adventure tours and integrational youth exchanges outside of berlin for kids and teenagers from all over Germany and Europe. Significant part of our activities are also focused on scouting methodology.

Financial Conditions

MOBILITIES OF VOLUNTEERS

(per person, duration 12 months)

covered from the programme:
accommodation, food, public transport, language course

transport from a city of residence to Berlin and back up to 275 EUR

pocket money: 121 EUR/month
each sending organisation will receive 5% of the grant foreseen for each volunteer

INTERNATIONAL SEMINARS

(per person, duration 3 days)

covered from the programme:
accommodation, food, programme

transport to Berlin and back up to 170 EUR

CONDITIONS FOR REIMBURSEMENT:

Travel costs will be fully reimbursed up to the limit, what should be enough to get to Germany – therefore we expect that everybody will get back 100% of the travel. If you spend less for your travel you will get exactly the amount you spent. If you spend more, you will get the amount from the table.

Reimbursement of travel costs will only be done upon full attendance of the seminar. It will be transferred to your bank account after receiving all the original tickets and boarding passes.

Reimbursement will be done in EURO.

CONFERENCE

(per organisation, duration 1 day)

80% of direct costs: up to 560 EUR (80% of 700 EUR)

80% of indirect costs: 39 EUR (80% of 49 EUR)

CONDITIONS FOR REIMBURSEMENT:

Here the reimbursement is little bit more complicated. This category of the budget is based on real costs and therefore we need originals of all bills and invoices. You can use this money to cover rental of rooms and equipment and catering, but after the event we will need to receive all invoices.

When it comes to the indirect costs it is enough when your organisation produces us an invoice for 49 EUR for "indirect costs"

Erasmus+ covers only 80% of all costs. The way to deal with it is that you should spend up to 560 EUR for the event and produce us an invoice for your personal costs for the remaining 140 EUR (20%). In this way we can report the full amount of the grant and you can receive all money you spent for the event.
