

# DEMOCRATIC LABOUR MARKET

The model resulted from 3 forum theater situations known to all participants of the youth exchange:

- 1) exploitation of employers resulting in alienation of work,
- 2) nepotism resulting in violation of justice,
- 3) abuse of employers privileges resulting in company loss.

Rules and values that we relate to the labour market are following:

DEMO-LIFE  
YE, 27.12.17 -
